

# KIMBALL AVENEWS

## Where will worship be held THIS week?

Inquiring minds want to know!

As long as we are blessed with sunshine and the temperatures hold in the mid to upper 60s, **we will continue to meet at the Oasis during the month of October.**

When in doubt, look for updates on our Facebook page and our web site. We also send out weekly email notifications.

We know that we won't be able to enjoy outdoor worship too much longer, so watch for information about our cold-weather location coming soon.

## The Final Stretch

The campaign to pass the referenda for a community mental health center enters its final phase with distribution of the "Mental Health Booster" and election materials. The campaign team will meet every Tuesday at 6:30 pm in October to monitor progress and promote the initiative. See Pastor or Yesenia Acosta if you can help.

## Trolls Have Invaded Chicago

And they are looking for YOU. Are they friendly? Will they eat you? **Pack up the family and a picnic lunch and find out on our TROLL HUNT at Morton Arboretum on Saturday, October 27. \***

Round-trip bus transportation will be provided from 3413 W. Medill at 9:30 am. If you prefer, you're welcome to provide your own transportation at your own expense.

Because the trolls are hiding, be prepared to walk up to ½ mile. Wear comfortable, sturdy walking shoes and dress in layers. In addition to finding the trolls, we'll enjoy the beautiful fall colors of the forests at the Arboretum.

Invite your friends and family to enjoy this unforgettable experience. Adult tickets are \$15 and tickets for children and youth ages 2-17 are \$10, but we're making this a "Pay What You Can" event. Pay the full price OR pay whatever you can afford. We don't want the cost to be a barrier to participation.

And if you can't participate, consider making a donation to help cover the costs for others who cannot afford the full price. Registration forms will be available on October 7.

\* In case of rain on October 27, the event will be postponed to Nov. 10.

## Your Vote is Your Voice / Tu Voto es Tu Voz

And starting October 22 – November 6, you can use your vote-voice to make a difference. If you live in Logan Square, Hermosa and Avondale, be sure to **vote YES** on the 2 binding referenda at the bottom of the ballot that will create a community mental health center for our neighborhoods. Early voting is held in every Ward starting on October 22. You can find out your Ward's early voting location at <https://chicagoelections.com/en/early-voting.html> Or you can wait to vote at your precinct polling place on Election Day – November 6.

Not registered to vote? Need to update your voter registration because you recently moved? Want to express your commitment to vote? Richie Llamas and/or Jasmine Graciani, trained "Democracy Ambassadors," will be available at church on Sunday, October 14 to assist you with the online registration process.
