Staying Connected No Matter What Happens Next

## Flu Season is Coming...

Be prepared. We are working with Walgreen's to offer flu vaccines to our community once again this fall. And we are hoping that the booster for the Omicron variant of COVID and other viruses will also be available.

The vaccination event will be held at the Oasis. All insurances will be accepted and there will be a limited number of free vaccines for those without insurance.

Once the date is finalized, we will send out a notice to our congregations and the community. Let's stay healthy!

## 'Divest' Update

On August 18, Pastor Ray, along with representatives from the Divest Chicago Coalition, met with Alderman Scott Waguespack to present our 300+ signatures in support of Divesting from War and to push for a hearing on the Divest Resolution.

GOOD NEWS! He not only agreed to schedule the hearing, he also gave his support to the resolution! We anticipate the hearing will be scheduled for late October. Watch for details.
