Staying Connected No Matter What Happens Next

The Times, They are a-Changin’

It’s that time of the year to “Fall Back” and change our clocks in preparation for the end of **Daylight Savings Time**. (Yes, there was talk of ending the change, but it never moved forward.)

So, **set your clocks BACK 1 hour** on Saturday evening, **November 5**, to be on-time for Sunday worship. And, enjoy the extra hour of sleep.

Mark Your Calendar! 10th Anniversary of Las Posadas!

In 2013, the Logan Square Ecumenical Alliance marched through Lathrop Homes to demand that CHA preserve public housing at the site. Today, half of the buildings remain unoccupied!

On **Saturday, December 10**, we will return to Lathrop Homes to demand that CHA keep their promise to rehab the buildings for housing. The rally and march will begin at 10:00 am,.

Advent Begins November 27

While most people will be preparing for the traditions of the Christmas holiday after Thanksgiving, we will be using the season of Advent to prepare for what Christmas points to —God’s future!

So, yes, we’ll celebrate Christmas—but not as a past point in history. We’ll look through the eyes of the Prophet Isaiah to see Christmas as the beginning of a future that is still taking shape. Join us each Sunday (in-person or online) at 10:30 am, as we light the Advent wreath, sing songs of our hope, and look back to see the future that God is creating.

Souls to the Polls

While early voting for federal, state and local elections has already begun in every Chicago ward, your final chance to vote is on **Election Day, Tuesday, November 8**.

This election includes more than just names on a ballot. Illinois residents will be voting on the Worker’s Rights Amendment to the IL Constitution, and residents of Westtown and Humboldt Park will be voting to create a mental health center for their communities. And don’t forget the judges!

Not registered to vote? No problem. You can register in-person at Early Voting locations OR on Election Day. For details go to www.chicagoelections.gov,
